## Experience

### **FREELANCE ARTIST, ROUND ROCK TEXAS**

*Papillonart Gallery | June 2021 - Current*

I am currently working as an independent contractor, utilizing a variety of techniques to deliver custom projects to clients both in the US and Europe. This flexibility has allowed me to expand my skills in 2D and 3D motion graphics communication, and gain experience with contracts and client interactions.

### **BRANDING AND MARKETING INTERN, ROUND ROCK, TX**

*Compliance in the Cloud Corporation (Remote) | April 2020 - September 2020*

An internship with a technology startup gave me an opportunity to work on designing the corporate image and brand for projects and printed media. I developed and integrated symbolic themes and motifs that interpreted the company's mission into motion sequences. As part of a team I participated in project ideation and delivery for customers and investors. My purview included the production of informational and training videos, including the coordination of voice actors for audio content.

### **CAREER SERVICES ADMINISTRATIVE ASSISTANT, SARASOTA, FL**

*Ringling College of Art and Design | Spring 2020*

I served as a professional liaison between students and faculty in regards to academic queries. I was responsible for maintaining productivity pipelines and coordinating with other departments regarding the transfer of data and communication.

### **SUMMER CAMP EXPERIENCE COORDINATOR, BELTON, TX**

*Girl Scouts of Central Texas | Summer 2018*

Working in this position gave me unique insight into the development and management of themed experiences, targeted towards youth audiences. During this period, I was responsible for the oversight, coordination, and execution of activities that would motivate youths towards established goals while also encouraging behaviors aligned with company values and healthy development.

## Education

### **BACHELORS OF FINE ARTS | 2017-2021 | RINGLING COLLEGE OF ART AND DESIGN**

- Major: Motion Design

### **INTERNATIONAL BACCALAUREATE DIPLOMA | 2013-2017 | STONY POINT HIGH SCHOOL**

- HL History, HL English, HL Art, SL Mathematical Studies, SL Physics, SL French
